BOOK SYNOPSIS

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Elayn Martin-Gays developmental math textbooks and video resources are motivated by her firm belief that every student can succeed. Martin-Gays focus on the student shapes her clear, accessible writing, inspires her constant pedagogical innovations, and contributes to the popularity and effectiveness of her video resources (available separately). This revision of Martin-Gays algebra series continues her focus on students and what they need to be successful.
