## **BOOK SYNOPSIS**

This current, engaging, and practice-oriented text is your complete resource for mastering the many facets of family therapy. In this eighth edition, the authors provide practice-oriented content that will help you become an empathic and effective family therapist. The new edition includes the latest references and contemporary thinking on central issues such as family resiliency, alternative forms of family life today, gender, culture, and ethnic considerations. A new feature, Thinking like a Clinician, helps students to reflect on practice issues related to each chapter. This edition also contains the American Association for Marriage and Family Therapy Code of Ethics--a great reference that will help you understand the importance of ethical practices. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
