## **BOOK SYNOPSIS**

This edition of Siding, Roofing, and Trim from the editors of Fine Homebuilding provides all the advice you need to choose, install and detail the exteriors of your home. Articles will cover how to safely replace a roof while keeping in mind venting and flashing for a weather-tight and long-lasting new roof, how to repaint your home so that the final product will go the distance, while tackling the tricky issue of lead safety, how to install siding the right way, covering a variety of material options including stone and vinyl, and how to apply trim details to achieve that finished look. With a fresh design and up-to-date new content, this title will continue to be a must-have book for pros and passionate amateurs.
