BOOK SYNOPSIS

Russia is famous for its vodka, and its culture of extreme intoxication. But just as vodka is central to the lives of many Russians, it is also central to understanding Russian history and politics. In *Vodka Politics*, Mark Lawrence Schrad argues that debilitating societal alcoholism is not hard-wired into Russians genetic code, but rather their autocratic political system, which has long wielded vodka as a tool of statecraft. Through a series of historical investigations stretching from Ivan the Terrible through Vladimir Putin, *Vodka Politics* presents the secret history of the Russian state itself—a history that is drenched in liquor. Scrutinizing (rather than dismissing) the role of alcohol in Russian politics yields a more nuanced understanding of Russian history itself: from palace intrigues under the tsars to the drunken antics of Soviet and post-Soviet leadership, vodka is there in abundance. Beyond vivid anecdotes, Schrad scours original documents and archival evidence to answer provocative historical questions. How have Russias rulers used alcohol to solidify their autocratic rule? What role did alcohol play in tsarist coups? Was Nicholas IIs ill-fated prohibition a catalyst for the Bolshevik Revolution? Could the Soviet Union have become a world power without liquor? How did vodka politics contribute to the collapse of both communism and public health in the 1990s? How can the Kremlin overcome vodkas hurdles to produce greater social well-being, prosperity, and democracy into the future? Viewing Russian history through the bottom of the vodka bottle helps us to understand why the "liquor question" remains important to Russian high politics even today—almost a century after the issue had been put to bed in most every other modern state. Indeed, recognizing and confronting vodkas devastating political legacies may be the greatest political challenge for this generation of Russias leadership, as well as the next.

VODKA POLITICS ALCOHOL AUTOCRACY AND THE SECRET HISTORY OF THE RUSSIAN STATE

- Are you looking for Ebook *Vodka Politics Alcohol Autocracy And The Secret History Of The Russian State*? You will be glad to know that right now *Vodka Politics Alcohol Autocracy And The Secret History Of The Russian State* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *Vodka Politics Alcohol Autocracy And The Secret History Of The Russian State* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *Vodka Politics Alcohol Autocracy And The Secret History Of The Russian State* and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *Vodka Politics Alcohol Autocracy And The Secret History Of The Russian State*. To get started finding *Vodka Politics Alcohol Autocracy And The Secret History Of The Russian State*, you are right to find our website which has a comprehensive collection of manuals listed.
